

## Homework Year 5 Autumn A 2023

### Age Appropriate Homework Expectations

|                              |  |
|------------------------------|--|
| <b>Spelling Expectations</b> | Practice spellings 15 minutes each day<br>Age appropriate words can be found on the class pages of the school website  |
| <b>Reading Expectations:</b> | Read for 15 minutes each day and write in your Reading Record. Note down any new words or phrases you like in your home reading journal<br>Please refer to age appropriate 'Reading Fluency Skills' on the class pages of the school website |
| <b>Maths Expectations:</b>   | Practise all times tables and related division facts for continued fluency and speed   |

*Dedicating time each day to homework helps you to form effective learning habits.*

### Topic Tasks

Please pick activities to complete with your family. Homework should be a positive experience, the discussion & fun you have with your family is just as important as the outcome. Enjoy!

|  |  |   |
|--|--|---|
| Choose a book you like and rewrite it as a comic.<br><i>English</i>  | Create your own character for a 'Goth' novel. Draw a picture and write a character description.<br><i>English</i>                        | Choose your favourite book and prepare a presentation to persuade the class to read it.<br><i>Reading</i> |
| Work out the perimeter of your living room and create enough Halloween bunting to decorate it.<br><i>Maths</i>           | Use your addition and subtraction knowledge to meal plan for a week, draw up a shopping list and stick to a budget.<br><i>Maths/PSHE</i> | Visit the National Space Centre in Leicester.<br><i>Science</i>   |
| Find out 5 things that the Anglo-Saxon's didn't have and live a day without them.<br><i>History</i>                      | Research Anglo-Saxon villages and create a model of a typical home.<br><i>History</i>  | Create a model of the solar system out of any material you like.<br><i>Science</i>                        |
| Make 3 different types of paper plane and test which one is better. What makes it better and why?<br><i>Art &amp; DT</i> | Make a playdough model, design a backdrop and create a stop motion video for the Battle of Britain.<br><i>Computing</i>                  | Use a map to find and explore the Anglo- Saxon, burgahl defences of Wallingford.<br><i>Geography</i>      |

There is no right or wrong way to complete the tasks. Take as long, or as little, time as you like. A large project may take a number of weeks.

Bring Topic Tasks to school in any way you like: email, photo, written, scrap book, artwork, edible... You can send any photos that you take to the class teacher via Seesaw or print them out to show the class.

Additional learning may be sent home as appropriate.

You can also find useful guides and resources for learning at home on our school website
